## **Appointments & Payments Policy**

A deposit is required to secure a consultation appointment (£35 for check-ups, £50 for new patient consultations and £75 for emergencies)

The deposit will be **non-refundable** if:

- You do not attend, or arrive **over 10 minutes late**
- You cancel with **less than 1 full working day's notice**  
(*e.g. Monday appointments must be cancelled by the previous Thursday*)

### **Treatments must be paid for in advance to book an appointment**

You may cancel or postpone a course of treatment with **1 full working day's notice** to be eligible for a full refund of any pending treatment.

Failed attendances and late cancellations may be charged at **£100 per hour** of missed appointment time.

If payment is outstanding, we may pause treatment until received. Unpaid fees may result in legal action being taken.

## **Guide to Patient Finance**

We offer two methods to spread the cost of your treatment into affordable monthly payments at Halton Road Dental Practice

### **GoCardless Direct Debit**

The practice allows you to spread the costs of treatment over 12 months when a deposit is paid upfront (typically around 40-50%) - please speak to reception or contact us by e-mail if you would like to sign up for this.

Please note that failed Direct Debit payments are subject to a £10 administrative fee. Repeated payment failure will result in the termination of the agreement and the full outstanding balance will be due for immediate payment.

### **Interest-bearing finance via Chrysalis Finance**

Alternatively, for deposit-free options we offer a range of interest-bearing (16.9% APR) options over longer terms up to 5 years - please visit our website ([www.haltontdentist.co.uk/0-finance](http://www.haltontdentist.co.uk/0-finance)) to see our finance calculator and apply online.

Terms & Conditions: Aged 18 and over. Loan amount £350 to £25,000. Permanent UK resident for at least the last 3 years. An application can be received by a friend or family member. All applicants will be credit checked during the application.
