Appointments & Payments Policy

Treatments must be paid for in advance in order to book an appointment

A £35 deposit is required to secure an initial consultation appointment:

The deposit will be forfeited if any of the following occur:

- Failure to show up for an appointment, or attending more than 10 minutes late
- Cancelling an appointment with too little advance notice to allow that appointment time to be rescheduled with another patient (typically 24 hours)

If 2 appointments are missed then we reserve the right to withhold treatment and decline further appointments unless a cancellation penalty is paid.

You may cancel a course of treatment for which you have booked an appointment and be fully refunded all fees for treatment not yet performed provided a minimum of 24 hours prior notice is given, otherwise we reserve the right to withhold money to cover overheads.

If fees are owed to the practice, we reserve the right to withhold further treatment. If payment is not received despite repeated reminders, this may result in the practice instructing a debt collection agency or taking legal proceedings accordingly.

Guide to Patient Finance

We offer two methods to spread the cost of your treatment into affordable monthly payments at Halton Road Dental Practice

Interest-free finance via GoCardless Direct Debit

The practice is able to offer up to 12 months interest-free (0%) on treatments when a deposit is paid upfront (typically around 40-50%) - please speak to reception or contact us by e-mail if you would like to sign up for this.

Please note that failed Direct Debit payments are subject to a £10 administrative fee. Repeated payment failure will result in the termination of the agreement and the full outstanding balance will be due for immediate payment.

Interest-bearing finance via Chrysalis Finance

Alternatively, for deposit-free options we offer a range of interest-bearing (16.9% APR) options over longer terms up to 5 years - please visit our website (www.haltontdentist.co.uk/0-finance) to see our finance calculator and apply online.

Eligibility criteria are as follows:

- Aged 18 and over
- Loan amount £350 to £25,000
- Permanent UK resident for at least the last 3 years
- Good clean credit history highly preferable - if you have concerns over your credit history we would suggest you contact a credit reference agency for more information

An application can be received by a friend or family member. All applicants will be credit checked during the application.

Offered by Jonathan Westall trading as Halton Road Dental Practice, which is an Appointed Representative of Chrysalis Finance Limited. Jonathan Westall is a credit broker, not a lender. Chrysalis Finance Limited is authorised and regulated by the Financial Conduct Authority for credit broking and lending.
